**KOLKATA
NURTURE FOUNDATION**
Blossoming Humanity...

Dear Colleagues,

It is our distinct pleasure to reveal the upcoming HOPECON 2024, the third edition of the esteemed National Medieducare Conference organized by the **KOLKATA NURTURE FOUNDATION & UNIEDUHEALTH**, in the dynamic city of joy - Kolkata.

We express our sincere gratitude to each one of you -all the participants,who have steadfastly supported us on this exciting & extraordinary journey.

In the previous year, we were privileged to welcome 3876 delegates and glean invaluable insights from 427 distinguished faculty members, hailing from all over the country. This year, we aspire to transcend these milestones, aiming to make HOPECON 2024 even more expansive and enlightening.

Every encounter serves as a valuable learning opportunity and we are committed to leveraging past experiences to enrich our knowledge. In this rendition, we are thrilled to introduce new disciplines such as Artificial Intelligence, Biomedical Research and Clinical Trials, Radiology, Public Health, Medical administration, Healthcare Entrepreneurship & many more in addition to our existing 25 fraternities.

From bedside clinics to healthcare entrepreneurship, our agenda this year encompasses a broad spectrum of topics. Notable additions include customized courses for healthcare professionals, crafted by key opinion leaders and experts, as well as the initiation of the HOPE HEALTH digital campaign, aimed at promoting health awareness nationwide throughout the year.

HOPECON 2024 aims in
"Empowering Healthcare: Uniting Experts Nationwide"

Our primary objective remains to equip every physician with essential practical insights and the latest advancements. As we believe in involved dialogue instead of monologue,the conference will feature a wide range of competitions, interactive sessions, and immersive workshops along with debates, panel discussions to further enhance the learning experience.

We eagerly anticipate your participation at HOPECON, as we stand united in this enriching pursuit.

Warm regards,
HOPECON ORGANIZING TEAM

HOPECON'24

"EMPOWERING HEALTHCARE: UNITING EXPERTS NATIONWIDE"

Welcome to
HOPECON
2024

An unparalleled gathering of healthcare professionals, researchers, and experts from across the country. This event serves as a platform for collaboration, innovation, and knowledge exchange in the ever-evolving field of medicine.

In HOPECON, we deliver:

- **Diverse Range of Topics:** a wide 25+ medical disciplines.
- **Renowned Speakers:** Engage with leading experts and pioneers from all across the country.
- **Interactive Workshops:** Participate in hands-on workshops and skill-building sessions.
- **Cutting-Edge Research:** latest advancements and breakthroughs in medical research
- **Networking Opportunities:** Connect with peers, mentors, and collaborators from diverse backgrounds to foster meaningful partnerships and collaborations.
- **Continuing Medical Education (CME) Credits:** Earn CME credits by attending accredited sessions, ensuring ongoing professional development and certification requirements.
- **Industry Exhibition:** latest medical technologies and healthcare services showcased by leading industry partners and exhibitors.
- **Social Responsibility Initiatives:** Engage in discussions on healthcare equity, accessibility, and community outreach programs aimed at addressing societal healthcare challenges.

NEW INITIATIVE

Virtual Attendance Option: For those unable to attend in person, virtual participation options will be available, ensuring inclusivity and accessibility.

HOPECON OFFERS

1. *Insights into emerging trends and best practices shaping the future of healthcare*
2. *Expand your professional network and forge collaborations with peers and experts*
3. *Enhance your skills and knowledge through interactive workshops and educational sessions*
4. *Contribute to the advancement of medical science and patient care in India.*

Early bird discounts and group rates are available. Join us at the forefront of medical innovation and collaboration.

Together, let's pave the way for a healthier and more vibrant future for all.
